Labor Day

Friday 9/18 – 1st Quarter mid-
terms

Friday 9/25 – Lion Pride
Student of the Month

Monday 9/28 – No School –
Teacher PD

It has been an honor and a privilege to serve our students and community these past couple of weeks. All of the planning and hard work are paying off and our vision is becoming a reality. We have a group of students following all of the safety guidance while learning in the building 5 days a week. We have a group of students successfully logging into chrome books and engaging with teachers from home 5 days a week. And, we have a group of students getting support in the building 2 days a week and learning from home the remaining days. It is a lot to pull off, but thanks to your patience, cooperation, and communication, it is all coming together and starting to feel "normal". Our LPA scholars will come out of this with a new set of skills that will help them adapt to whatever the future of teaching and learning looks like. That is priceless and worth the work. So, thank you. Thank you for trusting us with your students and their learning and thank you for partnering with us to make the best of this crazy time we are living in.

Assessments

Every year, the school is required to give a battery of assessments to determine individual learning needs and growth. We will still be required to assess each student this year. Some of these can be administered virtually and others will require virtual families to make appointments to test in person. We will keep you updated on testing windows and formats.

Attendance

Regular attendance is important for all students no matter what their modality. Quarterly grades and promotion at the end of the year will be based on daily attendance and quality of work, just as in traditional years. If your student is ill and cannot attend class in any modality, please report to the school by phone 440-282-3127 or through our online attendance reporting system

<https://lorainprep.org/report-absence/>

Tech Support

We are working hard to work out all of the kinks in programming and support all of our families in their learning endeavors. Technology support is available. To get help with technology related issues,

- Call the School 440-282-3127
- Contact tech support for online chat
4amphlp.accelschools.com
- Contact tech support by phone 833-4AMPHLP
(425-7451)

Lion PRIDE

September's PRIDE theme is P = Prepared. Students who are prepared for learning are on time to class and have their materials and assignments ready on time. Encourage your student to be prepared

Facebook

Follow Lorain Prep Academy for pictures, videos, and updates about the great things happening at LPA! If you would like to connect with LPA through other social media forums, let us know.

Meet the Staff Ms. Moore

This is Ms. Moore's 5th year as an Instructional Aide at LPA. She is always willing to lend a hand wherever needed to support our students and families.

Fun Fact:
Ms. Moore rides her bike a minimum of 50 miles per week!!!
